

Blue Sky Coming

The future is in smart, electric and autonomous vehicles, and we aim to lead the way.

NIO is a global start-up founded in April 2015. Our core values vision, action, honesty and care are reflected in our workplace, our culture and our products. We're searching for people who share our values and bring diverse perspectives, domain expertise and life experiences; people who think big, and are as passionate about our mission as we are.

At NIO, you will work with us to rewrite the future and enjoy a world of endless opportunity; the collaborative culture and exhilarating energy of a start-up all backed by some of the smartest innovators in the technology and automotive industries. Join us on our journey, to redefine what's possible, and create an entirely new paradigm in automotive technology.

Class-A Modeler (m/f)

Your tasks:

- Work on digital exterior and interior projects from Design Freeze until Class-A
- Work on a broad range of production and advanced design programs as part of a growing, multinational team of highly experienced modelers
- Consider engineering and design requirements as well as legal regulations in an independent and targeted way
- Translate design and engineering input into 3D geometries

Your qualifications:

- Bachelor's or Master's degree in design, engineering, or similar
- At least 5 years of work experience in a global automotive context, preferably OEM
- Expert knowledge in ICEM Surf as a basic requirement (Autodesk Alias and Catia V6 would be an advantage)
- Passionate about design and about creating a profound change in the automotive industry
- Willing to continuously learn and step outside one's comfort zone, thriving on new, complex challenges and wanting to make a difference
- Strong technical understanding and ability to read complex package plans

Location: Munich

Start date: asap

Type: Full-time

This is what we offer:

- Work in a dynamic and inspiring atmosphere among international, talented and driven colleagues
- Possibility to help set up and have an impact on the organization
- Innovation strength and flat hierarchies
- A competitive compensation and benefits package

Send your CV with your starting date / notice period and salary expectations to:
