

Blue Sky Coming

The future is in smart, electric and autonomous vehicles, and we aim to lead the way.

NIO is a global start-up founded in April 2015. Our core values vision, action, honesty and care are reflected in our workplace, our culture and our products. We're searching for people who share our values and bring diverse perspectives, domain expertise and life experiences; people who think big, and are as passionate about our mission as we are.

At NIO, you will work with us to rewrite the future and enjoy a world of endless opportunity; the collaborative culture and exhilarating energy of a start-up all backed by some of the smartest innovators in the technology and automotive industries. Join us on our journey, to redefine what's possible, and create an entirely new paradigm in automotive technology.

## Design Studio Engineer Lighting (m/f)

### Your tasks:

- Support of the Design Studio from the sketch phase through the entire Design process including final surface release
- Working closely with the design team, other departments and suppliers to manage upcoming issues and escalating unresolved issues to the next level
- Liaising with the Vehicle Engineering team
- Ensuring legal requirements are implemented and adhered to
- Deploying hard points, criteria and technical input and supporting the Design team

### Your qualifications:

- Bachelor's or Master's degree in mechanical, electrical or automotive engineering
- 3 to 5 years of work experience in lighting design/development in the automotive industry
- Basic knowledge of BIW and exterior trim manufacturing
- Good knowledge of relevant global legal regulations affecting exterior lighting (SAE & InterRegs)
- Manufacturing knowledge and experience of production regarding lamps as well as concept development
- Exceptional verbal and visual communication skills, excellent organizational & prioritization skills and fluent English language skills
- Flexible, committed, motivated

Location: Munich

Start date: asap

Type: Full-time

### This is what we offer:

- Work in a dynamic and inspiring atmosphere among international, talented and driven colleagues
- Possibility to help set up and have an impact on the organization
- Innovation strength and flat hierarchies
- A competitive compensation and benefits package
